MYKRIS NEWSLETTER VOL 4.0

LOCATION BASED SERVICES

Mykris provide peace of mind to our retail customers by providing location information instantly anytime. We also provide our corporate customers the ability to track their workforce and manage their employee resources.

STAY CONNECTED TO THE PEOPLE THAT MATTER

We customized to the organization needs and proven increase more than 30% productivity.

ILOCARE ENTERPRISE SOLUTION

is a total integrated global location platform that processes and provides real-time information to control and manage any relevant mobile workforce for a company.

ILOCARE CHILD SAFETY LOCATOR

is a child friendly product that works hand-in-hand with our easy-to-use parent mobile app and web portal, keeping busy parents informed on the whereabouts of their love one.

HIGHLIGHT FOR MONTH OF MAY

MYKRIS CORPORATE SOCIAL RESPONSIBLE (CSR)

For any enlightened business, having a clearly defined approach to the impact of climate change, involvement with local communities, responsible business practices and the creation of a quality workplace environment must be a core part of business strategy.

At Mykris, we all share a desire to give something back to society.
