Dear Mr. Chew and MyKRIS Team,

On behalf of Bahagian Teknologi Maklumat, Parlimen Malaysia, we would like to express our satisfaction and appreciation for the excellent services rendered by MyKRIS Asia Sdn Bhd to the 36th General Assembly of ASEAN INTER-PARLIMENTARY ASSEMBLY (AIPA) at Shangri-La Hotel Kuala Lumpur from 6th to 12th September 2015.

Our experience with MyKRIS has been wonderful because of the professionalism, courteous, competent and meticulous team.

The WIFI service rendered had enabled the Parliament Speakers of Asean countries with almost 300 delegates to access internet throughout the entire assembly without any problems. With the stability and fast internet provided by MyKRIS, we look forward to a continued relationship with Mr. Mason Lee for future events.

It has also been my pleasure to use MyKRIS internet services for the assembly and media conference. The experience was exceptionally good and I highly recommend MyKRIS to anyone in government sector for making their events extraordinary.

Yours sincerely,

Hamidah Ahmad
Under Secretary (Information Technology)
