PR - Jan 20, 2015 - Saito College Wins MyKRIS Inaugural National Short Video Contest

MyKRIS Limited, a Tier-1 Malaysian Internet & Intranet Services Provider (ISP) that is also listed on the New Zealand stock exchange 'NZX', today announces that Saito College students have won the top prize in the inaugural MyKRIS national-level short video production contest.

Chew Choo Soon, Chief Executive Officer and Executive Chairman of MyKRIS Limited with the champions from SAITO College1

Themed "Youth Creativity Prevails," the MyKRIS inaugural national contest was open to all private Malaysian university and college students studying digital animation, multimedia, video editing, graphic design, film and broadcasting courses. To further encourage participants, MyKRIS' short video production contest had been incorporated as a course assignment in some of the colleges involved.

The students were tasked with producing a short video/ digital animation clip that was related to MyKRIS' business of high-speed broadband and managed services technologies.
